<<Month Day, Year>>

Mr. Timothy Carney, CEO  
Securityplus Federal Credit Union  
PO Box 7560  
Baltimore, MD 21207-0560

Dear Mr. Carney:

I am writing this letter to express my desire for <<Company Name>> to be included within the field of membership of Securityplus FCU.

<<Company Name>> was established in <<Year>>. Today, we employ <<Number of Employees>> individuals. These employees work in <<List Location(s)>>. These locations are within <<Number of Miles>> miles of a Securityplus FCU branch.

<<Company Name>> is aware that NCUA encourages the formation of new credit unions, and toward this end has made available in each Region a specialist for the purpose of helping groups undertake the formation of a new, separately chartered credit union. We have decided not to avail ourselves to this assistance because we believe that it is not practical for us to form our own credit union given our size, our lack of expertise, our employees' need for a full array of financial services, and our inability to support the formation of a new, separately chartered credit union at this time, nor to devote the time and energy necessary for such a serious undertaking.

At the present time, we are not a Select Employee Group (SEG) of any credit union. <<Company Name>> would like to offer credit union membership as an added benefit to its employees. Our employees would greatly benefit from the services provided by Securityplus FCU and have expressed an interest in becoming members.

<<Company Name>> thanks you for your consideration and hopes you will approve our request so that our employees may begin enjoying the benefits of credit union membership.

Sincerely,
